

BARBARA J. FIALA
Commissioner

STATE OF NEW YORK DEPARTMENT OF MOTOR VEHICLES

6 EMPIRE STATE PLAZA, ALBANY, NY 12228

"P" 11 (2011)

Albany, New York

June 13, 2011

TO: All Enforcement Agencies

SUBJECT: Idaho Driver License and ID Card Changes

Beginning in May 2011, and throughout the summer of 2011, the state of Idaho will:

- roll out new temporary and permanent driver license and new ID card designs with enhanced security features, produced on a more durable plastic than before; and
- change from an over-the-counter to a central issuance process.

These two changes will help prevent counterfeiting, reduce the risk of identity theft and fraud, and result in savings in driver license and ID card production costs for the state of Idaho, without raising the price of the documents for customers.

Current Idaho driver licenses and ID cards remain valid until it is time for the customer to renew.

Please see the attached two-page fact sheet for a summary of the enhanced security features, and for examples of how the new temporary driver license, permanent driver license, and ID card will look.

If you have questions about Idaho's new driver license and ID card program, please contact the Idaho Transportation Department, Division of Motor Vehicles, by telephone at (208) 334-8000, or online at: www.itd.idaho.gov/DMV/centralissuance.htm

Please share this information with appropriate staff, including all road patrol enforcement officers. Thank you.

Barbara J. Fiala
Commissioner
