Albany, New York

December 21, 2017

TO: All Enforcement Agencies

SUBJECT: IRP Updates

Several states are issuing re-designed International Registration Plan (IRP) cab cards.

New Hampshire

As of November 20, 2017, New Hampshire is issuing IRP cab cards with a new layout. The date of issuance and the expiration date are prominently printed in large, bold font at the top of the card. Also, the layout and order of information on the top half of the card have changed. The cab card remains 8½" x 11" with a large watermark of the New Hampshire state seal in the center. A sample is attached for reference.

The cab cards in the previous format will be valid through November 30, 2018.

If you have any questions, please contact the New Hampshire IRP Office at (603) 227-4110.

West Virginia

As of November 1, 2017, West Virginia is issuing IRP cab cards with a new layout. The card remains 8½" x 11" but the order of information on the top half has changed and the barcode is centered at the bottom. Also, the new card does not have a watermark of the state seal. A sample is attached for reference.

The cab cards in the previous format will be valid through June 30, 2018.

If you have any questions, please contact Mark S. Miller, Transportation Manager in the Motor Carrier Services Office, at (304) 926-3934 or at mark.s.miller@wv.gov.

Idaho

As of December 4, 2017, Idaho is issuing cab cards with slight modifications to the font and text, and is issuing a significantly re-designed Temporary Vehicle Clearance. The

Temporary Vehicle Clearance is printed on 8½" x 11" white paper and may be issued electronically. Samples are attached for reference.

The cab cards in the previous format will be valid through December 31, 2018.

The Temporary Vehicle Clearance in the previous format will be valid through January 13, 2018.

If you have any questions, please contact Jerri Hunter, Commercial Programs Supervisor, at (208) 334-8626 or at jerri.hunter@itd.idaho.gov.

Nevada

As of October 9, 2017, Nevada is issuing re-designed cab cards that are printed on 8½" x 11" white paper and have a new layout. A barcode is centered at the bottom of the card. A sample is attached for reference.

The cab cards in the previous format will be valid through September 30, 2018.

Also, as of July 1, 2017, Nevada no longer issues a yearly registration sticker for commercial plates. Instead, Nevada issues a sticker that indicates one of two registration types: APP (apportioned) or NV (Nevada only). The sticker is located in the upper right corner of the plate and remains on the plate permanently.

If you have any questions, please contact Nevada's Motor Carrier Division at (775) 684-4711 extension 1.

Wyoming

As of November 21, 2017, Wyoming is issuing cab cards with a new layout. The card remains 8½" x 11" with a watermark of the Wyoming state seal in the center, but the layout and order of information on the top half has changed and a barcode is centered at the bottom. A sample is attached for reference.

The cab cards in the previous format will be valid through March 31, 2018.

If you have any questions, please contact Debbie Lopez, Manager of Motor Vehicle Services, at (307) 777-4714 or at Deborah.lopez@wyo.gov.

Please share this information with appropriate staff, including all road patrol enforcement. Thank you.
