SUBJECT: Registration Expiration Date Extensions for Virginia and Connecticut

Virginia

Due to the impact of severe weather, all vehicle registrations that were scheduled to expire on October 31, 2012 are extended through November 9, 2012. Therefore, Virginia requests that each jurisdiction delay enforcement for these vehicle registrations through November 9, 2012. This extension includes registrations under the International Registration Plan.

Any questions regarding this matter may be directed to the Virginia DMV Law Enforcement Information Services at (804) 367-6867.

Connecticut

Connecticut is requesting that each jurisdiction delay enforcement for apportioned vehicles registered to Penske Truck Leasing Co. LP. All accounts have been renewed for the period effective November 1, 2012 through October 31, 2013, but the carrier has not received the cab cards. The carrier will have cab cards in all vehicles by midnight on November 10, 2012. Therefore, Connecticut requests that enforcement for these apportioned vehicles be delayed through November 10, 2012. If you have any questions regarding verification of a registration, please contact (860) 263-5281.

Please share this information with appropriate staff, including all road patrol enforcement. Thank you.
