SUBJECT: IRP Update Regarding Ontario

The Ontario Ministry of Transportation is requesting that each jurisdiction delay enforcement for apportioned vehicles registered to XTL Transport, Inc. until October 31, 2013. All accounts have been renewed, but not all of the vehicles have the new cab cards.

A letter has been issued to the carrier to keep in each vehicle to serve as proof of valid registration until October 31, 2013, at which time the new cab cards should be in the carrier's vehicles. A sample of the letter is attached.

If you have any questions, please contact Beata Soltys at (416) 235-3923 or at beata.soltys@ontario.ca.

Please share this information with appropriate staff, including all road patrol enforcement. Thank you.

RE: Enforcement Dates for Ontario IRP Plates

Please be advised that XTL Transport Inc. has renewed its account, and all registration fees were paid for the 2014 registration year. This notice is being issued so that the Registrant has sufficient time to get the registration credentials to the vehicles in question.

Please accept this letter as valid registration credentials for XTL Transport Inc., until October 31, 2013. At that time, the Registrant should have had sufficient time to get the registration credentials in the vehicles, and this notice should be disregarded.

Please see that law enforcement from each IRP jurisdiction receives this information.

If you have any questions or require further information, please contact Beata Soltys at 416-235-3923 or beata.soltys@ontario.ca.
