TO: All Enforcement Agencies and Magistrates

SUBJECT: Altered Vehicles

DMV requests in the strongest possible terms that law enforcement officers notify the agency when any altered vehicle ("stretch limousine") or any limousine is observed.

Law enforcement should send:

- The license plate number, at a minimum;
- A description of the vehicle;
- The VIN, if possible;
- A photo, if possible.

Even if such vehicle is observing the rules of the road, this information should be sent to DMV immediately. This information will allow the agency to monitor future inspections and registrations of such vehicle to ensure compliance with applicable rules and regulations.

The notification should be sent to DMV at LimoReport@dmv.ny.gov.

Please share this information with all road patrol enforcement. Thank you.
