TO: All Enforcement Agencies and Magistrates

SUBJECT: Registration Certificates and Windshield Stickers

A previous memo dated January 7, 2013 ("P" 1/"M" 1) provided notification that DMV was temporarily unable to print registration certificates and windshield stickers due to a manufacturing problem with the documents. All impacted registrants received a letter from DMV to keep with the vehicle as proof of registration until the permanent registration certificate and windshield sticker are received.

DMV has resumed printing vehicle registration credentials. All registrants who received the letter have now been provided a permanent registration certificate and windshield sticker.

Please share this information with appropriate staff, including all road patrol enforcement. Thank you.
