

"P" 5 (2019)

Albany, New York

September 9, 2019

TO: All Enforcement Agencies

SUBJECT: Altered Vehicles

New legislation requires additional DMV attention to all altered vehicles.

A vehicle has been "altered" if it has been stretched or widened to increase passenger capacity.

DMV asks that law enforcement officers notify DMV when any altered vehicle is observed. At a minimum, please provide the plate number. If available, please provide a description of the vehicle (VIN, make, year, and a photo).

This notification can be sent to DMV at LimoReport@dmv.ny.gov

Please share this information with all road patrol enforcement. Thank you.
