

"P" 7 (2018)

Albany, New York

August 10, 2018

TO: All Enforcement Agencies

SUBJECT: IRP Update - Colorado

The Colorado Vehicle Services Section has identified 5,600 International Registration Plan registrations that will show incorrect data when queried. If the physical plate and the cab card match, but the federal data does not match, please assume the federal data is incorrect. Colorado expects this error will be corrected by August 13, 2018.

If you have any questions, please contact the Colorado Vehicle Services Section at 303-205-5608.

Please share this information with appropriate staff. Thank you.
