TO: All Enforcement Agencies and Magistrates

SUBJECT: Date of Birth on Temporary License/Permit/Non-Driver ID

On October 23rd, 2018, the New York State Department of Motor Vehicles implemented a change to the temporary license or non-driver identification card (NDID) for online renewals and duplicates.

Temporary License/Permit/NDID printed from web transactions will display "XX/XX/XX" next to "Birthdate", instead of the customer's actual birthdate.

A sample image of the revised temporary document is attached for your reference. Because the document will be printed on a home computer, the paper and/or print quality may vary from document to document. To ensure that the document is valid, you should check the customer's record.

Please share this information with appropriate staff, including road patrol personnel.
Thank you.

Theresa L. Egan
Executive Deputy Commissioner
