Albany, New York

July 18, 2016

TO: All Enforcement Agencies

SUBJECT: IRP Update - Oregon Extension for Gordon Trucking, Inc.

The Oregon Department of Transportation requests that each jurisdiction delay enforcement for apportioned vehicles registered to Gordon Trucking, Inc. through August 15, 2016. Registrations have been renewed and new plates have been issued. However, the company will not finish distributing new plates and weight receipts to all of the vehicles until August 15, 2016.

The registration will read "Gordon Trucking, Inc." However, "Heartland Express, Inc." will be on the vehicles and on the Oregon Weight Receipt and Tax Identifiers (the weight receipts in the cab). A lease agreement will be kept in each truck through December 31, 2016.

If you need to verify that any of these vehicles has a valid registration, please contact the Oregon IRP Unit at (503)378-6643 Monday through Friday between 8:00 AM and 5:00 PM.

Please share this information with appropriate staff, including all road patrol enforcement. Thank you.
